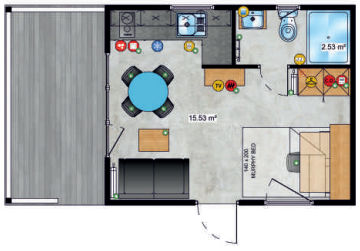
3. 7,5m x 4m / 25ft x 13ft — 2 — 1



NEW MODEL !!!

Twin Pod

Twice as practical

2 apartments in one module in a very interesting and practical configuration. Twin Pod has been designed so that the entrances are on opposite sides of the house, which allows you to forget that the building is divided into two independent parts.

1. 6,6m x 4m / 21ft x 13ft 4 2
